Sir,

Re Contiruance of watchmen to guard Hunusinkere at Hass

I have the honour to state that in view of the fact that the level of Hunusinkere tank from which drinking water is supplied to the Town through taps has gone very low account of failure of rains and to prevent the pollution of water from washing clothes, etc, the Government have sanctioned in their order No L 128330-4/ Rl 6-45-48 dated 17 5 46 the employment of two watchmen on 12/- P with the usual dearness allowance till the end of June 46 The Municipal Council of Hassan has again resolved at its meeting held on 30-6-46 to continue this establishment for two months more from July 1946 The extra cost is proposed to be met out of the closing balance during the current year The budget estimates of the Municipality has already been submitted to Government for sanction The Assistant Sanitary Engineer, who was consulted re the necessity for the continuance of this temporary establishment has intimated that the water supply to the tank is very meagre and that it is necessary to continue the watchmen to prevent contamination till the end of August when sufficient water supply to the tank is erected

In the above circumstances I request that sanction of Government may kindly be obtained to the resolution of the Municipal Council to continue the watchmen till the end of August, 1946

A copy of the resolution of the Municipal Council is enclosed

I have the honour to be,
